1. Your booklet

A. Introduction

Thank You for choosing this Plan from GuideStone Financial Resources of the Southern Baptist Convention (GuideStone). This is your booklet for the Group Senior Plus Plan (Plan). GuideStone sponsors the Plan and your Employer offers the Plan to its employees and retirees.

Some words and phrases in this booklet, such as “Plan,” have special meanings. We call these words and phrases “defined terms.” Usually, these defined terms are capitalized. The **Definitions** section at the end of this booklet gives the meanings of these defined terms.

Other organizations help the Plan serve You:

Highmark Blue Cross Blue Shield® (Highmark), the Claims Administrator for the medical Plan, administers payment of Claims, but has no liability for the funding of the benefit plan.

Medco Health Solutions, Inc. (Medco Health) and its affiliates, is the Claims Administrator for Outpatient retail pharmacy and home delivery Prescription Drugs.

This booklet tells You about Plan benefits beginning January 1, 2009. Claims for medical Services or supplies You received before January 1, 2009 will be paid under the terms of the plan in effect when the Claims were Incurred. Usually, a Claim is Incurred when a Medicare Eligible Expense is received by a Covered Person.

3. Who is eligible

A. Employee Coverage — coverage for employees and retirees

You are eligible for Employee Coverage under the Plan if You are an Eligible Employee or Eligible Retiree and not covered under any other group medical benefit plan offered by your Employer.

You are an Eligible Employee if:

- You are age 65 or older, eligible for Medicare, and an active full-time employee (as defined by your Employer) earning wages from an Employer that offers Plan coverage to one or more Covered Classes of employees; and
- You work at least the number of hours that your Employer requires to be considered a full-time employee, but not less than 20 hours a week; and
- You have completed your Employer’s waiting period, if any; and
- You are in a Covered Class of employees to whom your Employer offers Plan coverage; or
- You are disabled and eligible for Medicare.

You are an Eligible Retiree if:

- You are a retiree who was working full-time (as defined by your Employer) when You retired from service; and
- You were covered under that Employer’s health plan when You retired; and
- That Employer now offers Plan coverage to one or more Covered Classes of retirees; and
- You are in a Covered Class of retirees to whom that Employer offers Plan coverage; and

- You are age 65 or older and eligible for Medicare.

Covered Classes are groups of employees or retirees to whom your Employer offers Plan coverage. Your Employer may put employees into groups based on such things as job position, work hours per week, earnings or other factors. Your Employer also may put retirees into groups based on such things as years of service, age at retirement and other factors. Your Employer decides which groups of employees or retirees are Covered Classes under the Plan.

Your Employer may offer Plan coverage to some, but not to all groups of employees or retirees. Also, some Employers who offer coverage to one or more groups of employees may not offer plan coverage to retirees.

If You work for or retire from more than one Employer that offers the Plan, You must choose through which Employer You want to have Employee Coverage. You can't have double Employee Coverage or both Employee Coverage and Dependent Coverage under the Plan.

When Coverage begins tells You how to enroll.

B. Dependents Coverage

Many Employers offer Dependents Coverage. If You have Employee Coverage under this Plan, your dependents may be eligible for Dependents Coverage under this Plan or another plan (if the dependent is not eligible for Medicare) offered by your Employer. Ask your Employer if Dependents Coverage is available.

To get Dependents Coverage, You must have Employee Coverage under this Plan or another GuideStone sponsored medical plan.

Your Eligible Dependent under this Plan is:

- Your Spouse who is eligible for Medicare.
- Your unmarried Child who is disabled, dependent on You for support and maintenance, and is eligible for Medicare.

Your Child means:

- Your natural (biological) Child.
- Your legally adopted Child or a Child placed in your home for adoption.
- A Child living with You and dependent on You for support and maintenance. This may be:
 - Your stepchild.
 - Your foster Child.
 - Your grandchild.
- A Child for whom You must provide health care by court order or order of a state agency authorized to issue National Medical Support Notices under federal law.
- A Child for whom You are legal guardian or managing conservator.

C. If two Covered Persons want to cover the same dependent Child

Your Child can't be covered under the Plan as a dependent of two Covered Persons working or retired from the same Employer. You and your Spouse may both have medical coverage through the same Employer and both have Employee Coverage under a GuideStone sponsored medical plan. If so, You must decide which of You will carry the Child as a dependent under his or her coverage. You also have to tell your Employer what You decide.

D. Exceptions — dependents not eligible

There are exceptions to the rules for dependent eligibility. Your Spouse or Child is not an Eligible Dependent under this Plan if he or she:

- Is on active duty in the armed forces of any country.

- Already has Employee Coverage under this Plan or another GuideStone sponsored medical plan through your Employer. (No one can have both Employee Coverage and Dependents Coverage through the same Employer.)

When coverage begins tells You how to enroll your Eligible Dependents.

4. When coverage begins

A. Enrolling yourself

It is important for You to enroll early. To enroll for Employee Coverage, You must:

- Be eligible for coverage.
- Give your Employer a signed enrollment form within 31 days after You first become eligible.
- Pay any required contributions.

If You do all these things at the right time, You will be covered on the date you are eligible.

B. Enrolling your dependents

Enroll your dependents when You enroll. Most Employers offer Dependents Coverage to their employees. If your Employer offers this coverage, this is what You must do to enroll your Eligible Dependents:

- Enroll yourself for Employee Coverage.
- Give your Employer a signed enrollment form within 31 days after You first become eligible that lists your Eligible Dependents.
- Pay any required contributions.

If You do all these things at the right time, your Dependents Coverage will begin when your Employee Coverage begins. Any Eligible Dependents You do not enroll when You enroll yourself for Employee Coverage may be late enrollees. This means that their coverage will be delayed.

Dependents not enrolled in Medicare may be eligible for coverage under another Plan offered by your Employer.

C. Late enrollees (for active employees)

Your Eligible Dependents will be late enrollees if You:

- Do not enroll them when they first become eligible.
- Do not meet one of the special enrollment requirements described below.

For late enrollees:

- Coverage will not begin until January 1 following the date You enroll.
- The Plan may delay coverage for any Pre-existing Sickness or Injury.

D. Special enrollment requirements (for active employees)

If your family status changes. You can enroll your Spouse and any other Eligible Dependents in this Plan as special enrollees if any one of these qualifying events happens:

- Marriage.
- Birth of a newborn.
- Adoption or placement of a Child in your home for adoption.

If any one of these events happens, **You must enroll your Eligible Dependents promptly.** To do so, You must:

- Enroll them within 60 days after the event.
- Pay any required contributions.

If You do both of these things at the right time, the Plan or another GuideStone medical plan (if they qualify) will cover You and the Eligible Dependents You enroll from the date of the marriage, birth, adoption or placement in the home for adoption. If You do not do these things at the right time, your dependents may be late enrollees.

E. Adding dependents to coverage (for non-active members)

If your family status changes, You can enroll your new dependent in this Plan if any one of these qualifying events happens:

- Marriage.
- Birth of a newborn.
- Adoption or placement of a child in your home for adoption.

If any one of these events happens, **You must enroll your new dependent promptly.** To do so, You must:

- Enroll them within 60 days after the event.
- Pay any required contributions.

If You do both of these things at the right time, the Plan or another GuideStone medical plan (if they qualify) will cover You and the Eligible Dependents You enroll from the date of the marriage, birth, adoption or placement in the home for adoption.

F. Dropping dependents from coverage

You can drop a dependent from your coverage at any time. This can happen if there is a death or divorce or your Child stops being eligible because of age. You must tell your Employer promptly about the change.

G. Making enrollment changes

Report all enrollment changes promptly so that You and your Eligible Dependents become covered as soon as possible. Also, a change in coverage could make your contributions to the Plan higher or lower. If You do not report a change promptly, You may pay higher contributions than necessary. The Plan will not refund these excess payments.

Your Employer has the forms You need to enroll or to make any changes in coverage.

5. When coverage ends

A. End of Employee Coverage

Your Employee Coverage will end when any one of these things happens:

- GuideStone or your Employer stops offering the Plan.
- You are no longer eligible for Medicare.
- Required contributions are not paid when due.
- You become enrolled in any Medicare Part D plan other than the low-income subsidy plan.

B. End of Dependents Coverage

Your dependents will lose coverage if any one of these things happens:

- Your Spouse or Child is no longer an Eligible Dependent.
- GuideStone stops offering the Plan.
- Your Spouse or Child is no longer eligible for Medicare.
- Your Employer stops offering Dependents Coverage.
- Required contributions are not paid when due.

C. Continued coverage for Covered Dependents after your death

If You die while covered under the Plan, your Covered Dependents may continue their Plan coverage. This continued coverage will end when any one of these things happens:

- Your dependent is no longer an Eligible Dependent.
- Your dependent becomes eligible for benefits under any other medical plan.
- The Plan stops offering Dependents Coverage.
- GuideStone or your Employer stops offering medical plans.
- Required contributions are not paid when due.

D. How to obtain a certificate of creditable coverage

Certificates of creditable coverage are written documents provided by this Plan to show the type of coverage a person had (e.g., employee only, employee plus Spouse, etc.) and how long the coverage lasted. Under federal law, most group health plans must provide these certificates automatically when a person's coverage terminates. However, if a plan does not give You a certificate, You have the right to request one. Certificates apply both to plan members and to dependents.

This Plan will automatically give You a certificate after You lose coverage under the Plan. One will also be provided for your dependents when we have reason to know that your dependents are no longer covered.

In addition, the Plan will provide a certificate for You (or your dependents) upon request if You make the request within two years (24 months) after your coverage terminates. Contact GuideStone Customer Relations at **1-888-984-8433** to request a certificate of creditable coverage.

7. Outpatient Prescription Drug program*

A. Overview

Medco Health Solutions, Inc. administers the Plan's Outpatient Prescription Drug program. Under this program, You may purchase Outpatient Prescription Drugs:

- At a retail pharmacy.
- By home delivery.

You and your Covered Dependents have the same benefits under this program.

*** The Outpatient Prescription Drug program is not available to You if You are enrolled in a low-income subsidy plan offered through Medicare Part D.**

B. Retail pharmacy benefits

You can go to any retail pharmacy to get your prescriptions filled, but your cost usually will be less at a Participating Pharmacy. You can get up to a 30-day supply of each prescription filled or refilled when You go to a retail pharmacy.

When You go to a Participating Pharmacy, You:

- Use your Pharmacy ID card.
- Pay only the Copayment for each prescription fill or refill.
- Do not file a Claim.

When You go to a Non-Participating Pharmacy, You:

- Pay the full price for the drug.
- File a Claim with Medco Health for reimbursement within 12 months of the purchase. You can call Medco Health or GuideStone for forms or visit the GuideStone Web site at www.GuideStone.org to print a form.
- Receive reimbursement based on the Plan's cost as if You had gone to a Participating Pharmacy. Here is how You will be reimbursed:
 - If You buy a brand name drug when a generic is available, your reimbursement will be the amount of the Plan's cost for the generic substitution at a Participating Pharmacy, less the generic Copayment.
 - In all other cases, your reimbursement will be the amount of the Plan's cost for the same drug at a Participating Pharmacy.

Call Medco Health or GuideStone to find a Participating Pharmacy near You, or go to the Medco Health Web site at www.medco.com.

C. Home delivery pharmacy service benefits

If You take medication on an ongoing basis (for example, for blood pressure, asthma, or diabetes), You may want to use the home delivery pharmacy to save money. Each home delivery prescription can be for up to a 90-day supply of the same medication. You cannot combine refills to equal one 90-day supply. You pay the Copayment listed in the **Benefit summary** each time You fill or refill the same medication.

Call Medco Health or GuideStone for the home delivery prescription form. You can also get a copy of this form from the Medco Health Web site at www.medco.com or from the GuideStone Web site at www.GuideStone.org.

D. Types of drugs

- **Generic drugs.** These are identified by their chemical name. They are equivalent to brand name drugs and usually cost less than brand name drugs.
- **Brand name drugs.** Your Prescription Drug plan includes a formulary, which is a list of drugs that are preferred by your Plan. This list includes a wide selection of drugs and is preferred because it offers You a choice while helping keep the cost of your Prescription Drug benefits affordable. Each drug is approved by the Food and Drug Administration (FDA) and reviewed by an independent group of Physicians and pharmacists for safety and efficacy. The Plan encourages the use of the preferred drugs on this list to help control rising drug cost. Medco Health may remind your Physician when a preferred drug is available as a possible alternative for a drug that is not preferred. This may result in a change in your prescription. However, your Physician will always make the final decision on your medication. For more information about your formulary, visit the Medco Health Web site at www.medco.com or call **1-800-555-3432**.

E. Your drug Copayments

You must pay a Copayment every time You fill or refill a prescription. Your Copayment for Outpatient Prescription Drugs depends on:

- Where You fill your prescription.
- The category of drug You buy.

See the **Benefit summary** for the Copayment amounts.

F. Limitations and exclusions

This Prescription Drug program covers drugs and medicines that can be legally obtained only by a prescription written by a Physician. Not all drugs are covered and some drugs require pre-authorization. No appeals to the Plan are permissible under the Outpatient Prescription Drug program. Call Medco Health at **1-800-555-3432** for more information, or go to their Web site at *www.medco.com*.

8. How to file a Claim

These rules explain how to apply for payment of Plan benefits. Either You or your Covered Dependent can file a Claim under these procedures. To be considered, a Claim must be filed within one year from the end of the year following the date of Service.

These rules do not apply to Claims for Outpatient Prescription Drugs. Those rules are described in **Outpatient Prescription Drug program**.

A. Filing claims

Medical care Providers (Physicians and Hospitals) file all Medicare Claims for you. Medicare pays your provider before your Plan coverage pays benefits. You need to inform your Provider of your Medicare and your Plan coverage by presenting both identification cards at the time of your treatment.

If your Provider informs Medicare of your Plan coverage, Medicare sends the Claims Administrator your itemized Claim and a copy of your Medicare Explanation of Benefits. The Claims Administrator will pay your Providers directly and will send an explanation of benefits statement to You.

If your Provider does not inform Medicare of your Plan coverage, (for example, your Medical ID Card was not presented at the time of Service) Medicare will not forward your Claim to the Claims Administrator. It then becomes your responsibility, and You will need to send a copy of your itemized Claim and your Medicare Explanation of Benefits to the Claims Administrator for processing.

B. Explanation of benefits statement

Once your Claim is processed, You will receive an explanation of benefits (EOB) statement. The statement lists: the provider's charge, Allowable Charge, Copayment, Deductible and Coinsurance You are required to pay; total benefits payable; and total amount You owe.

If a Claim cannot be processed due to incomplete information, the Claims Administrator will send a written explanation prior to the expiration of the 30 calendar days. You are then allowed up to 45 calendar days to provide all additional information requested. The Claims Administrator will render a decision within 15 calendar days of either receiving the necessary information or upon expiration of 45 calendar days if no additional information is received.

In actual practice, benefits under the Plan may be processed and paid within a few days after the Claims Administrator receives completed proof of the expense. If a Claim cannot be paid, the Claims Administrator will promptly explain why.

C. Appeal of payment, denial and review

You may request an appeal of a Claim denial by written request to the Claims Administrator within 180 calendar days of receipt of notice of the denial. The Claims Administrator will make a full and fair review of the Claim. The Claims Administrator may require additional information to make the review. The Claims Administrator will notify the claimant in writing of the appeal decision within 60 calendar days of receiving the appeal request.

After exhaustion of the first appeal process, a second appeal may be requested. The second appeal must be requested in writing within 45 days of the denial of the first appeal. Written comments, documents, records, and other information relating to the Claim for benefits may be supplied to the Claims Administrator. The Claims Administrator will make a determination within 60 calendar days of request for a second appeal. However, if the appeal cannot be processed due to incomplete information, the Claims Administrator will send a written explanation of the additional information that is required or an authorization for the claimant's signature so information can be obtained from the Provider. Failure to comply with the request for additional information could result in declination of the appeal. A determination will be made and notification of the outcome will be provided within 60 calendar days of the receipt of all necessary information to properly review the appeal request.

If the Claims Administrator does not pay your Claim after it has gone through all levels of its own appeal process, it will send You a final denial letter. This letter will tell You how to appeal your Claims denial to the Plan. You cannot file an appeal with the Plan until You receive the final denial letter from the Claims Administrator.

If You decide to appeal your Claim to the Plan, You must send a written appeal within 60 days of the Claims Administrator's final denial letter. Your appeal should include:

All the reasons why your Claim should not be denied.

Any information that You wish to have the Plan consider in reviewing the appeal. You may send in any new or additional information that You think might affect the Claim review.

Send this appeal to:

Claims
Insurance Operations Department
GuideStone Financial Resources of the Southern Baptist Convention
2401 Cedar Springs Rd.
Dallas, Texas 75201-1498

The claims department will review your appeal. If the information You send clearly shows that You should receive Plan benefits, the claims department will reverse the Claim denial and notify You of the decision.

If your appeal does not clearly show that You should receive Plan benefits, the claims department may ask for additional information, either from You or from others. The claims department will send your appeal and all the related information to the Plan's claims appeals committee for review. The committee also may ask You or other sources for additional information. The committee will make a final decision based on all the information it receives.

The committee will decide your appeal within 60 days after You file your appeal with the Plan. This review can take up to 120 days if special circumstances make it impossible for the committee to complete the review within 60 days. If this happens, You will be notified of the delay within the first 60 days. Once the committee completes its review, it will send You a letter about its decision. This letter will tell You the specific reasons for the final decision. It will also tell You about the Plan provisions that the committee relied on to make its decision.

The committee has complete discretion when it decides any appeals. Its decision is final and binding.

For purposes of this section, "claimant" means You, your dependent, or legal representative.

D. Legal action

Legal action for a Claim may not be started before the appeal procedures have been exhausted. Further, no legal action may be started later than two years after proof is required to be filed.

E. Facility of payment

The Plan will normally pay all benefits to You. However, if the claimed benefits result from a dependent's Sickness or Injury, the Plan may make payment to the dependent. Also, in the special instances listed below, payment will be as indicated. All payments so made will discharge the Plan to the full extent of those payments.

- If payment amounts remain due upon your death, those amounts may, at the Plan's option, be paid to your estate, Spouse, Child, parent, or provider of medical and dental Services.
- If the Plan believes a person is not legally able to give a valid receipt for a benefit payment, and no guardian has been appointed, the Plan may pay whoever has assumed the care and support of the person.

F. Medical examinations

The Plan may have the person whose expense is the basis for claim examined by a Physician. The Plan will pay for these examinations and will choose the Physician to perform them.

G. Plan's right to recover overpayments

If the Plan pays You or someone else more than it should have paid for any reason, it has the right to be repaid for these overpayments.

The Plan may recover the overpayments from:

- The person to or for whom the Plan paid the excess amount.
- Insurance companies.
- Other organizations.

The Plan also has the right to be repaid the reasonable cash value of any benefits it provides in the form of Service.

9. General information

A. Right to amend or terminate the Plan

GuideStone can terminate the Plan at any time for any reason. Your Plan benefits will end if this happens.

GuideStone also can change any or all of the provisions of the Plan at any time and for any reason. It does not have to notify You first. Any change may cause your benefits to be different than those described in this booklet.

B. Church plan

The Plan is intended to be a "church plan" as defined in the Employee Retirement Income Security Act of 1974, as amended (ERISA), and the Internal Revenue Code. Because it is a church plan, many legal requirements that apply to most other health care plans do not apply to this Plan. For example, this Plan does not have to follow the COBRA Continuation Coverage requirements.

C. Plan is not an employment contract

The Plan is not an employment contract. Enrollment in the Plan does not give You any right to continued employment with your Employer.

D. Choice of law

If You or anyone else brings an action against the Plan, the laws of the State of Texas will apply.

E. Relation among parties affected by the Plan

All health care Providers, including Hospitals, are independent contractors to GuideStone. No health care Provider works for GuideStone either as an employee or agent. No GuideStone employee works for any health care Provider, either as an employee or agent. That means that each health care Provider You go to is responsible to You for the Services and supplies it provides to You. GuideStone is not responsible for providing You with any Services and supplies. Nor is it responsible for any Services and supplies You receive from any health care provider.

F. Plan discretion

GuideStone has complete discretion to construe or interpret all provisions, to determine eligibility for benefits, and to determine the type and extent of benefits, if any, to be provided. GuideStone decisions in such matters shall be controlling, binding, and final. In any action to review any such decision by GuideStone, GuideStone shall be deemed to have exercised its discretion properly unless it is proved that GuideStone has acted arbitrarily and capriciously.

10. Your confidential medical information

A. Collecting information

We rely on information from You and your Covered Dependents to operate the Plan. Generally, You give this information when You enroll and when You file claims.

The Claims Administrator may also collect information about You from other sources. The Claims Administrator needs this information to process claims. For example, your coverage may have limits on it that depend on your salary or job class. The Claims Administrator would get that information from GuideStone.

B. Disclosing information to others
