

Three simple steps to re-enroll

Step 1: Choose the Medical Plan that's right for you.

Only you can decide which health plan is right for you. But we're here to help if you need additional guidance. Review the information provided in the *Personal Plans Re-enrollment Book*. And if you need help, give us a call.

- ✓ Get your 2010 monthly rates from the *2010 Medical Plan Election* letter you received in your Re-enrollment Package.
- ✓ Review your [plan options](#), comparing benefits, cost and type of plan.
- ✓ Use our online tools — including the new [MedPlan Calculator](#) — to compare plans based on your own recent healthcare usage.
- ✓ Can't decide between a PPO plan or an HSA-qualified HDHP? See the [PPO vs. HDHP comparison chart](#).

If you need help selecting the best medical plan for your needs, give us a call. A Customer Relations specialist will be glad to help you understand your options.

Step 2: Choose the Dental Plan that's right for you.

GuideStone offers two PPO dental plans and one DHMO plan. To make your selection:

- ✓ Decide whether you would prefer a PPO or DHMO plan (not available in all areas). If your enclosed *2010 Medical Plan Election letter* does not list rates for the Guided Dental HMO, that means it isn't available in your area because there aren't enough participating dentists.
- ✓ Review plan benefits and cost.
- ✓ Review the [Dental Fee Schedule](#).

If you need help selecting the best dental plan for your needs, give us a call.

Step 3: Re-enroll.

- ✓ [Make your plan selections](#) online or call a Customer Relations specialist for individual assistance.

Deadline to make new plan selections for 2010 is **November 18, 2009**.

If we have not received your elections by November 18, 2009, you will be automatically re-enrolled in your current medical and/or dental plan. Your elections will take effect January 1, 2010.
