

READY TO SLEEP BETTER?

Learn How ... With the Time to Sleep Well Program

Are you downing caffeine to make it through the day? ☹️ Staying up late because of a busy schedule? ☹️ Having trouble falling asleep and staying asleep? ☹️ Working the night shift? ☹️ Finding it difficult to concentrate at work?

We can help you get the sleep you need with **Time to Sleep Well**. This program is a skills-building course designed to help you make changes to improve your sleep.

Through the program, you will learn strategies and techniques to help you sleep better, including:

- Understanding your sleep patterns
- Identifying areas for improvement
- Creating a better sleep environment
- Eating better, exercising and coping with stress
- Managing sleep disruptions from travel and shift work

Each week, you'll set small goals that will help you achieve better sleep.

HOW TO PARTICIPATE

You have two options for completing the program:

- 1. By phone:** You can work closely with a wellness coach to explore the program's materials, try new techniques and discuss your progress. This option includes four weekly calls and two follow-up calls with your coach.
- 2. Self-study:** You can also choose to work through the program at your own pace. You will get a workbook to use as a guide. If you have questions or challenges, you can call your coach.

HOW TO ENROLL

Enjoy the benefits of a good night's sleep. For more information or to enroll, call Member Service

Highmark Blue Cross Blue Shield is an independent licensee of the Blue Cross and Blue Shield Association. Blues On Call is a service mark of the Blue Cross and Blue Shield Association.

What's Your Reason for Sleeping Better?

A good night's sleep helps to:

- Improve your problem-solving skills and memory
- Complement the efforts you make during the day to lose weight
- Lower your risk for high blood pressure, stroke and type 2 diabetes

The Plan complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
